

HOW TO BECOME AN E-SUBSCRIBER

Receive your newsletters delivered right to your email address, and enjoy it in full color! See what you have been missing.

Here's how you can become an e-subscriber:

1. Log on to us.mensa.org and enter your member number and password. If you need a new password to get started, call National at (817) 607-0060.
2. Click on Profile Update in the left menu, and do the following 3 things:
 - A. Enter a working email address, one that you plan to keep. Without a current address, you cannot receive your newsletter.
 - B. Check the box to receive publications electronically.
 - C. In the box of 9 data release statements, check "Release my email address within the organization."

That's all there is to it! While you are there, update your Member Profile and check your Data Releases for accuracy.
